ONTARIO'S PREMIER PUBLIC WORKS SHOWCASE

“"We couldn't be happier with the success of this year's event," said **Brad Faught, CRS-S,** Chair of the AORS Trade Show Committee. "Hosting the trade show in Petawawa provided an incredible opportunity to showcase everything that Renfrew County has to offer. From the outstanding venue and local businesses to the warm welcome visitors received throughout the region, the community truly embraced this event. We heard countless stories from attendees who were impressed not only by the trade show itself, but by the hospitality, scenery, and sense of community they experienced during their stay."

"This year's trade show exceeded expectations," said **Cyrus Rife, CRS-I,** President of AORS. "Seeing 1,500 people come together to connect, learn, and experience the latest innovations demonstrates the strength of our industry and the value of events like this. Beyond the exhibits and demonstrations, the show delivered meaningful economic benefits to local businesses and highlighted Petawawa and Renfrew County as outstanding hosts. We are incredibly grateful to the exhibitors, sponsors, volunteers, municipal members, and local partners who made this event possible."
