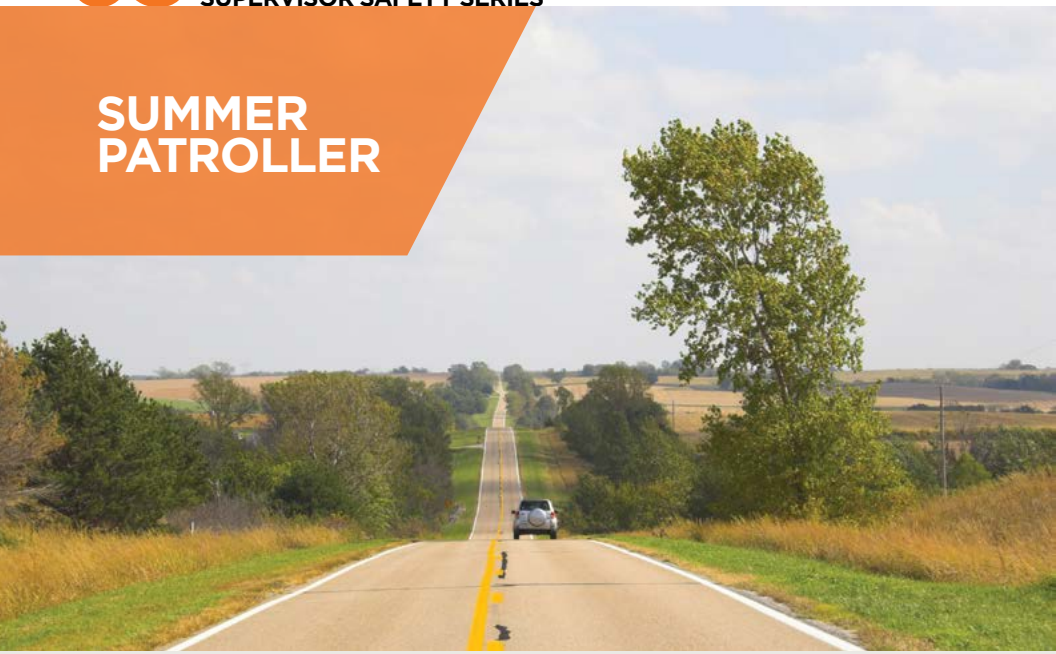
05 SUPERVISOR SAFETY SERIES

SUMMER PATROLLER



Course Overview

Summer maintenance patrollers have many unique responsibilities and require a comprehensive knowledge of specific subjects (e.g. legislation, policies, procedures) to effectively do their job. This one (1) day training program (approx. 7 hours classroom) covers an array of relevant topics.

Classroom Topics

- Due Diligence
- Maintenance Standards
- Sidewalk Patrols
- Weather Monitoring
- Documentation
- Defensive Driving
- Common Concerns

Who Should Attend: All summer patrollers.

Learning Objectives: Program participants will:

- Demonstrate improved confidence in their role
- Better understand their responsibilities
- Adhere to all industry regulations and best practices
- Improve their overall efficiency

Evaluation/Documentation: Written test and/or oral exam. The employer will receive a certificate of completion and a summary of training for each participant who successfully completes the course.

About the Facilitator: Developed and delivered to you by **Ground Force Training Inc.**
