Local Associations

Each Local Association holds a number of meetings in a calendar year. Our 33 Local Associations are the basic “close to home” organizational element of AORS. They are the platform where most direct member contact takes place and offer our Associates immediate and cost-effective ways to:

- Participate in activities and events. (Equipment shows, roadeos, tournaments)
- Utilize their right to vote and hold office
- Attend educational programs
- Network with colleagues and peers in a professional setting
- Exchange technologies/trends with colleagues
- Help support and promote our Association

Suppliers wishing to join a Local Association should contact the Secretary in each Association to obtain an application form. Contact information on their web page.
