ONTARIO ROAD SUPERVISORS

ROAD SUPERVISORS CERTIFICATION PROGRAM

INFORMATION GUIDE AND APPLICATION FORM

BEFORE YOU SUBMIT YOUR APPLICATION, PLEASE REFER TO THIS CHECKLIST:
DO NOT SUBMIT INSTRUCTION PAGES.

( ) Completed all of the appropriate pages, including a set of job function pages for each employment position you want evaluated?

( ) Included a job description for your current and all other positions you want evaluated?

( ) Included an organizational chart showing your position in the chain of command in your department? Mark an X beside your position in the chain.

( ) Included proof of completion or transcripts for all courses, including proof of marks for T.J. Mahony courses?

( ) Is your application signed by your witness (see list of applicable witnesses on page)?

( ) Included a cheque (payable to AORS) or credit card information for the appropriate application fee?

**Please note that your application may not be processed for review at the next scheduled Certification Board meeting if any of the required information is missing or incomplete.

ASSOCIATION OF ONTARIO ROAD SUPERVISORS

CERTIFIED ROAD SUPERVISOR (CRS)
PROFESSIONAL DEVELOPMENT PROGRAM

INTRODUCTION

The Association of Ontario Road Supervisors (AORS) is proud to offer its Certified Road Supervisor (CRS) Professional Development Program recognizing qualified candidates working for or through a public sector roads environment. The CRS program is widely recognized and highly successful, with more than 1,600 designations awarded to Road Supervisors throughout Ontario since 1989. A CRS designation provides objective evidence of an individual's related work experience and academic credentials, demonstrates the individual's commitment to personal and professional development, and assures employers they are employing qualified professionals with proven proficiency in Public Works operations. The AORS certified road supervisor designation is recognized by the Province of Ontario through the Association of Ontario Road Superintendents Act, 1996.

Depending on a candidate's roads related supervisory experience and academic qualifications, they are considered for one of four designations under the program:

- Associate Road Supervisor
- Certified Road Supervisor (CRS)
- Certified Road Supervisor - Intermediate (CRS-I)
- Certified Road Supervisor - Senior (CRS-S)

AORS administers the program through a six-member Certification Board. The Board is comprised of three members appointed by AORS, one member from Ontario Good Roads Association (OGRA), one member from the Municipal Engineers Association (MEA), and one member selected by other members of the Board.

In addition to evaluating CRS applications, the Certification Board reviews and recommends revisions to the educational requirements of the program to ensure they continue to reflect the changing body of knowledge that a Public Works professional requires to be competent as the industry evolves. The Board reviews curriculum from various educational institutions for content and applicability to the designation, allowing candidates options for meeting the program requirements and recognizing prior academic achievements where appropriate. The Board also considers the additional work experience and training a candidate requires to advance in the program.

Eligibility for the CRS certification program includes municipal employees, public sector employees or contracted individuals who supervise road-related duties. This acknowledges municipalities, the province and related government agencies (such as airports, conservation authorities, etc.) as roads service providers and recognizes the various approaches taken by these government bodies in their delivery of roads services. If you are an employee hired to supervise road-related operations, you are invited to apply for the CRS designation.

GENERAL INFORMATION

The application form must be completed in full in all appropriate areas and will not be processed unless all relevant information has been provided. Application must be received by the Board Secretary at least two weeks prior to the review date. Failure to meet the deadline may result in your application being deferred to the next meeting. Meetings are held around March, June, September and December. Deadlines to submit CRS applications are posted on the AORS website at www.aors.on.ca.

The personal information that you submit in your application will only be used for the purposes of the Certified Road Supervisors Certification Program.

Your approved status within the association will be shared with other AORS members in the AORS Advance Newsletter. A letter will be sent to your superior who signed the application declaration page and to the Head of Council and Council Members notifying them of your certification or reclassification.

CHALLENGE EXAM

A challenge exam has been developed as an alternative to the T.J. Mahony Road School courses (Construction & Maintenance). If you possess a minimum three years' **roads related supervisory** experience and have the specified theoretical knowledge, you may apply to the Certification Board to write the challenge exam in lieu of completing the T.J. Mahony courses.

Upon successful completion of the challenge exam and completion of this application form, you will be considered for the CRS designation. You will be given only one opportunity to write the challenge exam. If you are unsuccessful, you will not be eligible for certification (or reclassification if you were grandfathered into the program) until you successfully complete both of the Construction and Maintenance sections of the T.J. Mahony Road School with passing grades of 65% or higher.

EXPERIENCE ASSESSMENT

The Certification Board assesses the supervisory experience of each applicant from the job description, the organizational chart and the job function pages. The position must have significant **roads related supervisory** responsibilities (see Summary of Experience Guidelines on pgs. 6-8 (pgs. 17-19 on reclassification application)). Depending on the amount of roads related supervisory responsibilities, experience may not be evaluated at one year of employment equivalent to one year of supervisory experience.

ANNUAL RENEWAL OF MEMBERSHIP

Membership in the Certification Program is subject to an annual renewal fee as prescribed by AORS. An invoice will be sent to you each year based on your membership status (i.e. certified only *or* certified plus local association member) as recorded in our files. You will receive a new sticker for your CRS certificate and wallet-sized card each year when you renew your membership.

RECLASSIFICATION

Once you have been certified you may apply for reclassification to proceed to the next level upon completion of the requirements outlined in your Assessment Confirmation letter. The letter identifies the additional academic and practical experience requirements to advance to the next level.

Note that the education requirements changed effective March 2013, with the additional requirement that specified AORS Public Works Leadership Development Program (PWLDP) modules be completed for each level of CRS designation (see Course Requirements & Options, pgs. 4-5 (pgs. 15-16 on reclassification application)). Individuals who had achieved a CRS, CRS-I or CRS-S designation prior to the change are grandfathered and do not have to complete these additional modules to remain at that level. However, to be reclassified to a higher level they must first complete the modules required for the higher levels, but not the modules required for the level they had previously achieved. Assessment Confirmation letters issued prior to March 2013 may not list the PWLDP modules required to advance to the next level, and they are superseded by the requirements included in these instructions.

Reclassification can be requested when you have completed the necessary courses and/or obtained the additional experience. The Reclassification form should be submitted with the applicable fee. Copies of this form can be obtained from the AORS website at www.aors.on.ca (click on Certification).

APPEAL OF CERTIFICATION BOARD DECISION

An applicant who disagrees with the Board's decision may request in writing within 30 days of receipt of the Assessment Confirmation Letter, that the Certification Board reconsider its decision. The applicant should specify the reason for the appeal and should enclose any additional documentation that would be helpful to the Board. Only one request for review will be allowed per applicant at each level of the program. If an applicant disagrees with the results of the Certification Board's review, he/she may appeal the decision in writing to the AORS Executive. The decision of the AORS Executive will be final.

REINSTATEMENT

Individuals who cancelled their certification or failed to pay their annual renewal fees may apply for reinstatement within three years upon payment of a reinstatement fee of $630 plus HST. They will be reinstated at their previous designation, regardless of what changes in requirements may have been implemented for that level in the interim. For those who have been removed from the program for over three years, the candidate must reapply for Certification, and must satisfy all the requirements currently in effect.

GUIDE FOR COURSE REQUIREMENTS & OPTIONS

(AORS Public Works Academy is mandated to periodically review, evaluate and approve courses.)

CRS Level:

❶ Completion of ***both*** the Maintenance and Construction sections of the T.J. Mahony Road School with a passing mark of 65% or more on each section, ***or*** successful completion of the AORS Challenge Examination; ***and***

❷ Successful completion of the AORS Public Works Leadership Development Program (PWLDP) modules: 'Local Government', 'Leadership & Supervision' and Customer Service' with a passing mark of 70% on each module.

CRS Intermediate:

Successful completion of the following mandatory courses:

❶ C.S. Anderson Managing Human Resources ***or*** Effective Management; ***and***

❷ Municipal Health and Safety (C.S. Anderson) ***or*** 4-Day Basic Certification Program including Part 2 Workplace Specific (e.g. WSIB); ***and***

❸ AORS PWLDP modules: 'Financial Management' and 'Talent Management' with a passing mark of 70% or more on each module.

PLUS

One approved **Intermediate Specialized** course of your choice, from any one of the courses listed below:

C.S. Anderson:

●Bridge & Culvert Management ●Fleet Management (formerly Equipment Maintenance) ●Roadway Management (formerly Practical Urban Maintenance) ●Municipal Survey ●Soils and Pavements ●Signs & Lines – Creating Positive Guidance for Drivers, Ontario Traffic Manuals 1c, 5, 6 & 11 ●Introduction to Plan Reading and Contract Interpretation

OGRA Municipal Infrastructure Training:

●Bridge and Structure Inspection ●General Inspection ●Sewer and Watermain Construction Inspection ●Storm Sewer Design ●Sanitary Sewer Design ●Watermain Design

Scott McKay:

●Soils Technology ●Concrete Technology ●Bituminous Technology

OMAFRA:

●Drainage Superintendents Course

OGRA	AORS
●Snow School	●Winter Maintenance School

GUIDE FOR COURSE REQUIREMENTS & OPTIONS

(AORS Public Works Academy is mandated to periodically review, evaluate and approve courses)

CRS Senior:

Successful completion of the following mandatory courses:
❶ C.S. Anderson Basic Report Writing and Presentation Skills; ***and***
❷ AORS PWLDP modules: Process Management, Continuous Improvement and Communications, with a passing mark of 70% or more on each module.

PLUS
Two approved **Senior Technical/Management** courses of your choice listed below:

C.S. Anderson Road School:
●Municipal Legislation ●Overview of Municipal Road Design & Construction
●Municipal Asset Management (curriculum merged with Managing Roads in a Changing Environment; formerly called Basic Road Management & Lower Tier Road Administration & Road Administration)
Previously offered: Maintenance Planning & Maintenance Management (formerly Maintenance Management & Computers)

OGRA Academy for Municipal Asset Management
• Asset Management of Bridges

OGRA Municipal Infrastructure Training Program:
●Road Design: Geometrics ●Road Design: Intersections ●Stormwater Management
●Advanced Sewer – Watermain Construction Inspection

MOE:
●Wastewater Collection ●Water Supply ●Wastewater Treatment ●Watermain Design
●Sewer and Watermain Construction

SUMMARY OF EXPERIENCE GUIDELINES FOR ROAD SUPERVISORS CERTIFICATION PROGRAM

The following is a summary of the general areas of exposure and experience needed for entry into each level of the program. It is not mandatory that you have involvement in all the areas listed, but it is required that candidates have well-rounded experience in as many areas as possible. Each certification level builds on the former one. It is implied that all or most of the previous level requirements have been met, in addition to experience in the level being applied for. Placement and/or advancement may be delayed or denied if the requirements have not been met. The extent to which a candidate's job involves these responsibilities, as compared to other non-supervisory responsibilities, is also considered when evaluating an applicant's years of related experience.

CRS LEVEL	STAFF SUPERVISION	ADMINISTRATION	LEGISLATION & MUNICIPAL POLICIES	MAINTENANCE & CONSTRUCTION ACTIVITIES
ENTRY	• Crew supervision • Staff scheduling • Input into Performance Reviews • Health & Safety of Others and/or member of the Joint Health & Safety Committee • Participation in Interview/Hiring Process • Staff Training/Orientation and hands-on instruction • Municipal employment practices and policies • Union contract administration if applicable • Contract/Contractor Supervision	• Input into the Budget Process and/or some Budget Administration • Risk Management • Some Purchasing and Inventory Control • Record Keeping: e.g. Time sheets, MNR forms, Statistics Canada forms, Fuel tax rebate preparation • daily diary preparation • complaints register • Liaison with general public, fellow employees, contractors and Council or the Clerk-Treasurer or Administrator • Some exposure to computer applications for maintenance management • Familiar with OPSS & OPSD construction practices	Knowledge and application of: • Fisheries Act • Navigable Waterways Act • National Transportation Act • Highway Traffic Act • Public Transportation and Highway Improvement Act • Drainage Act • Municipal Act • Pits and Quarries Act • Occupational Health and Safety Act • Transportation of Dangerous Goods • Environmental Assessment Act • Employment Standards Act • Book 7 of the Ontario Traffic Manual (OTM – Temporary Conditions) • Endangered Species Act • Fuel Handling Act	• Routine servicing and preventative maintenance of graders, trucks, loaders and backhoes, etc. • Repairs and provincial regulations relating thereto • The safe operation of the equipment and the effective operational capability of that equipment • Actual experience involved in excavation, bedding, placement, backfill and compaction in accordance with OPSS & OPSD • Traffic control and temporary closures • Depth and type of granular material • Drainage requirements • Stripping of topsoil/earth moving; Compaction • Road surfacing • Annual cleaning of bridges • Roadside maintenance • Hardtop maintenance • Loosetop maintenance • Winter control • Safety devices maintenance • Utility co-ordination • Responding to environmental spills • Routine inspections and minor repairs.

SUMMARY OF EXPERIENCE GUIDELINES (cont'd)

CRS LEVEL	STAFF SUPERVISION	ADMINISTRATION	LEGISLATION & MUNICIPAL POLICIES	MAINTENANCE & CONSTRUCTION ACTIVITIES
INTERMEDIATE	• Staff Recruitment including interviewing and testing • Hiring Decisions and/or Recommendations • Formal Responsibility for Staff Training and Orientation • Progressive Staff Discipline and Recommendation for Disciplinary Action • Provide Operational /Procedural Instruction to Staff • Participation in regular departmental Management meetings • Formal Supervisory responsibility and leadership • Motivation of staff • Interpersonal relations and Communications • Conducts performance review	• OPSS & OPSD construction practices: e.g. preparation of progress payment certificates • Time/Labour/Equipment cost analysis • Planning and budgeting • Tendering and purchasing • OPSS equipment rental forms – proper accounting of labour, material and equipment costs • Authorization of Training Funds • Assist in Budget Preparation and Administration • Purchasing Materials /Supplies and/or Inventory Control • Capital Equipment Recommendations • Service Level Recommendations and Implementation • In Unionized Agreements: Collective Agreement Administration, Grievance Response, and Input into Collective Bargaining • Computer Program Knowledge including spreadsheets and word processing • Regular Liaison with staff /public/senior management	Knowledge and application of: • Labour Relations Act • Construction Lien Act • MOE requirements re storage and handling of wastes • Municipal Drain Legislation	• Typical cross-section • Reading and interpreting engineering drawings • Construction surveying and road design • Catch basin installation and maintenance • Storm sewer installation and maintenance • A basic knowledge of water distribution and storm sewer, municipal drains, sanitary sewer systems • Some exposure to computer applications such as Road Infrastructure Data Systems

SUMMARY OF EXPERIENCE GUIDELINES (cont'd)

CRS LEVEL	STAFF SUPERVISION	ADMINISTRATION	LEGISLATION & MUNICIPAL POLICIES	MAINTENANCE & CONSTRUCTION ACTIVITIES
SENIOR	• Responsible for the overall mission/direction of the department and/or participation in Departmental Goals/Objectives • Strategic Planning • Department work/business plans etc. • Participates in Human Resources Management including hiring, employee discipline and termination of employment • Succession planning • Supervision of management staff	• Responsibility for Preparation and/or Presentation of Reports to Director or Council • Responsibility for Division and/or Department Budget Preparation and Administration • Service Level Recommendation and Implementation • Division and/or Departmental Purchasing Functions including authorizations and/or recommendations/tender review for significant expenditures and/or capital equipment • Division/Departmental Organizational Design • In Unionized Environments: Collective Agreement Administration, Grievance Response, and Input into Collective Bargaining and/or Member of the Negotiating Committee • Department Administration • Attend Council and Public Meetings • Communications Skills and interpersonal relations • Computer and Information Systems Applications for Municipal, Federal and Provincial Government relations	• Human Rights • Participates in development of Municipal Risk Management & Insurance Programs	• Preventive maintenance programs for infrastructure and repairing typical problems • Approval of non-standard items such as change orders • Complete administration of all Construction and Maintenance projects including structures, Design Work Approval

ROAD SUPERVISORS CERTIFICATION PROGRAM

APPLICATION FORM

There are four levels of Certified Road Supervisor designation each with increasing amounts of roads supervisory experience and academic credentials. The requirements for each level are described in detail on the pages indicated below:

For Associate Road Supervisor:

Complete pages 10 to 14 and 18 to 22 (repeat pages 18 to 20 for each position you want evaluated)

For CRS Level:

Complete pages 10 to 13, 15 and 18 to 22 (repeat pages 18 to 20 for each position you want evaluated)

For CRS – Intermediate:

Complete pages 10 to 13, 16 and 18 to 22 (repeat pages 18 to 20 for each position you want evaluated)

For CRS – Senior:

Complete pages 10 to 13 and 17 to 22 (repeat pages 18 to 20 for each position you want evaluated)

The application form must be completed in full in all appropriate areas and will not be processed unless all relevant information has been provided. Application must be received by the Board Secretary at least two weeks prior to the review date. Failure to meet the deadline may result in your application being deferred to the next meeting. Meetings are held in March, June, September and December. Deadlines to submit CRS applications are posted on the AORS website calendar at www.aors.on.ca.
