

Equipment Operator

The Municipality of East Ferris is seeking to hire an Equipment Operator.

The successful candidate will be a dynamic, outgoing individual with work experience as a heavy equipment/truck operator. This is a permanent, full-time unionized position which provides a competitive wage, enrolment in the OMERS pension plan, and a comprehensive benefit package including work apparel. The Public Works Equipment Operator will be reporting directly to the Public Works Foreman for the Municipality of East Ferris.

The successful candidate will be responsible for the operation of Municipal Public Works equipment and machinery, used for winter and summer maintenance and construction of Municipal roadways and facilities, which includes but is not limited to a snow plow, sander, dump truck, backhoe, excavator, dozer, grader and steamer; and performing any other labour function involved in the maintenance and operation of the Public Works Department including the landfill site as assigned by the Foreman.

The successful candidate will have:

- a minimum of a Grade 12 diploma or equivalent acceptable experience;
- a minimum of one year experience in operation of a single operator tandem truck over 80,000 lbs GVW equipped with a combination plow with wing and sanding unit;
- a valid Ontario DZ driver's licence;
- a minimum of two years experience as a heavy equipment operator;
- a clean driver's abstract;
- First Aid and CPR Certification;
- a WHMIS Certificate; and
- a Propane Handling Certificate.

The hourly wage rate for this position is \$26.69 as per the Collective Agreement. The Municipality offers a comprehensive benefit package and pension plan.

Qualified candidates are encouraged to submit a detailed resume which clearly demonstrates the candidate's equipment operating experience (equipment operated and duration) with references in confidence by email to careers@eastferris.ca or mail to:
