Mr. Bryan D. Clarke, CRS - S
Chief Administrative Officer, A.O.R.S.
160 King Street, P.O. Box 129
Thorndale ,Ontario, N0M 2P0

Dear Bryan:

In answer to your request about the history of A.O.R.S. I said I would print you a copy of the history book I wrote in 1990. The original printer stopped about 3 years ago, so I bought a new Computer system . I got an old printer from my daughter for the old computer, it give out printing a copy of the book, now looking for parts! I am enclosing a short version of A.O.R.S. history that I have put in my new Computer. The original copy has about 110 pages and a short history of Certification.

I went to Sarnia Sept. 25, 2003 to give this report to the meeting but the staff at the Best Western said the meeting had been cancelled. I thought I could present it at the Annual meeting.

Recently I was talking to Paul Dalton at the Lambton County Christmas dinner and he said the meeting Thursday was at the golf course. I was telling him about the short history and we thought that more Members would learn about the history if it was printed in the A.O.R.S. Newsletter. Also there is a brief history on Certification .

Hopefully I can get the printer going and have a book for you at the Convention.

Yours truly Melvin R Dale

Melvin R. Dale C.S.T.
