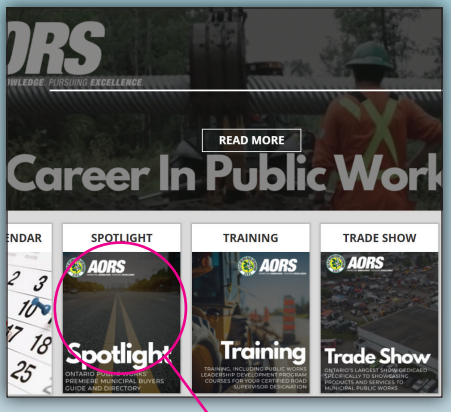
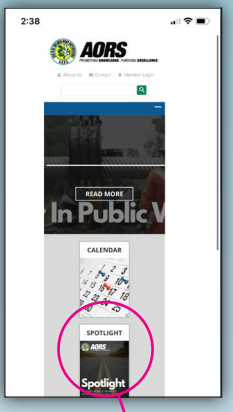
SPOTLIGHT NOW IN PRINT, AND AS AN ONLINE SEARCHABLE DIRECTORY

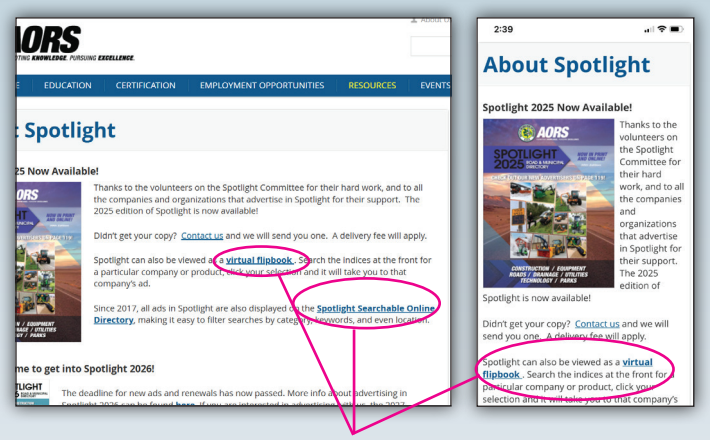
Did you know that Spotlight is available as a digital online flipbook, and an online searchable directory? You can flip through the book from the ease of your phone, tablet, or computer search for Spotlight advertisers through the online directory or by using the online Spotlight Flipbook. Even if you don't have your copy of Spotlight handy, you can still search for supplier info anywhere you have access to the internet. Here's how easy it is…



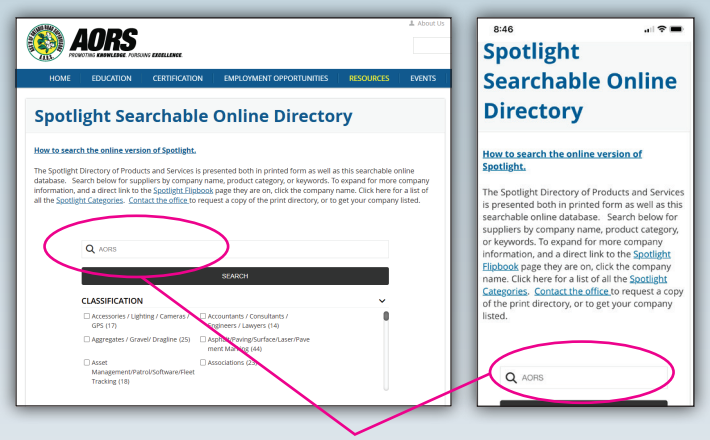
On a laptop or tablet go to the AORS website **www.aors.on.ca** and click on the **SPOTLIGHT** icon.



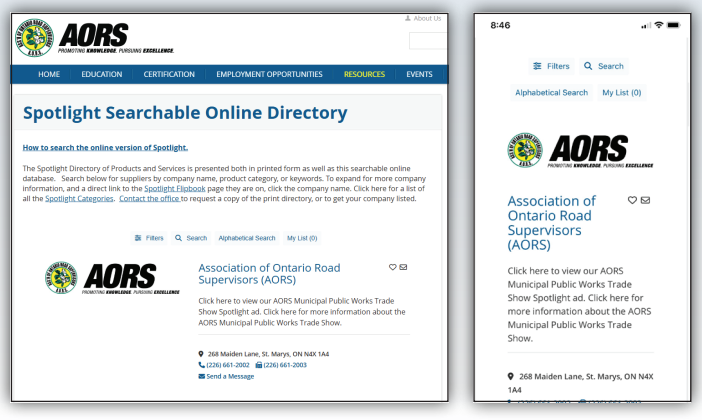
On your phone browser, go to **www.aors.on.ca**, scroll down and select the **SPOTLIGHT** icon. Better yet, make it a shortcut on your home screen.



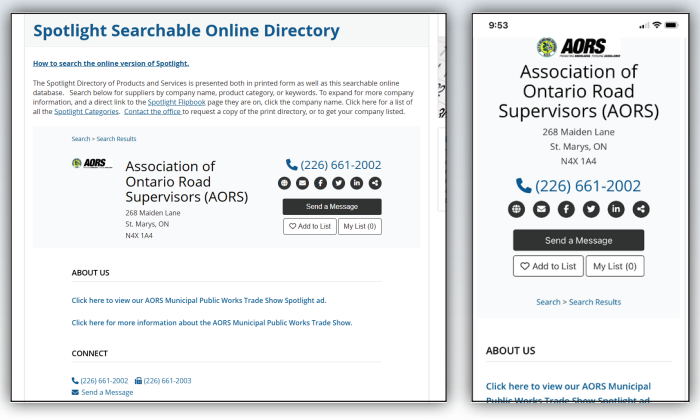
Then click on either **virtual flipbook** or **Spotlight Searchable Online Directory.**



In the search box, enter a company name, choose a classification, or search using keywords of products and services.



A list of suppliers and their logos will be generated to match your search criteria. Click on the company you want to select.



You now have the complete listing, including direct links to company websites, contact information, as well as their ad in the online Spotlight Virtual Flipbook.
