Texas Scramble Rules:

1. 4 Golfers per Team. 2 teams of 4 per Tee Box will start at each consecutive hole as Team "a" & "b". (Example: for 24 golfers, you will have teams 1a, 1b, 2a, 2b, 3a, 3b).
2. When the horn sounds, the "a" teams will play first, the "b" teams will follow when the distance is safe.
3. All of the men will hit from white tee-off markers and the ladies from the

red tee-off markers.

4. Team selects their best drive and all players pickup their ball and hit their 2nd shot from the best playable ball chosen. All balls must be within 1 clubs length of chosen drive. Other teams teeing off same tee box, have to continue off their best ball!
5. Repeat this procedure for the 3rd shot (etc.) up to the green.
6. The same procedure for putting. However, as soon as one person sinks the putt, others do not need to putt...this way it will save time.
7. You must use a minimum of 2 tee-shots per player through 9 holes (4x2=8 holes; 1 hole is optional), or use a minimum of 4 tee-shots per player through 18 holes (4x4=16 holes; 2 holes are optional).
8. Suggested games:
 - a. KP – Closest to pin
 - c. Longest drive (ball must be on fairway)
 - f. Lowest score (total of all scores). Note to Guests to hand in Score cards.
